

ASSP NEWSLETTER

JULY – AUGUST 2026 EDITION

AMERICAN SOCIETY OF
SAFETY PROFESSIONALS

It's been a busy stretch for the ASSP Nigeria Chapter! Here's a quick look back at everything since July, plus what's coming up next.

WHAT'S BEEN HAPPENING

NEW LEADERSHIP, SAME MISSION

July 4, 2026

We kicked off the season with our official Handover Ceremony, welcoming the new Executive Committee led by Dr. Victor Nnamdi Egbe as President.

Since then, the team has hit the ground running - setting up Chapter Committees and appointing Committee Chairpersons to boost member engagement.

COURTESY VISITS IN PORT HARCOURT

July 30, 2026

The team paid visits to Arco M&E and Spencer Jevant International Company, right here in Port Harcourt — real conversations, real partnerships beyond the handshakes.

COURTESY VISITS IN LAGOS

July 31, 2026

The very next day, the Chapter was in Lagos meeting with Aradel Holdings PLC and the Nigerian Conservation Foundation (Lekki), opening doors for HSE collaboration and knowledge exchange.

A CHAT WITH MONIQUE

August 8, 2026 An interactive session with the ASSP President gave members a chance to engage directly and ask questions.

Two-Day Warri Engagement

August 20 – 21, 2026

The Chapter went further west, spending two days in Warri, Delta State: a courtesy visit to Heritage Energy Operational Services Limited on August 20, followed by visits to the Nigerian Naval Base and the Petroleum Training Institute (PTI) on August 21 - exploring partnerships around safety training and maritime security.
