Mentorship Essay and Safety Poster Design

Competition

The American Society of Safety professionals (ASSP)-Nigeria Chapter is organizing its **second national essay and poster design competition** aimed at providing a platform for pupils in the primary schools, students in secondary and tertiary institutions to show case their talent in taking initiative and creativity inspired by their everyday safety and health related challenges.

The objective is to arouse and engender the spirit of living safety in their academic prowess, and to develop the culture of safety self-awareness.

THE COMPETITION COMES IN THREE CATEGORIES

CATEGORY 1: Primary School Pupils

This category is particularly designed for pupils in primary school across the country and involves designing of a safety poster.

THE FEATURE INCLUDES

- The caption "LIVING SAFETY"
- A safety or health drawing brightly colored
- Poster drawn on an A4 paper
- Lettering should be bold and readable
- A brief explanation of the drawing not more than 10 words

CATEGORY 2: Secondary School Students

This is the category for the secondary school students and requires participants to design a poster relating to living safety activities. The purpose of the poster is to persuade people to identify, correct with respect and avoid what will lead to accident.

THE FEATURE INCLUDES

- A caption (Students should choose the best caption that reflect their thoughts)
- Lettering should be bold and readable
- A safety or health drawing brightly colored
- A brief explanation of the drawing not more than 500 words
- Poster drawn on an A4 paper

CATEGORY 3: Undergraduates in Universities, Polytechnics, Monotechnics, and Collages of Education, etc

Participants in this category are required to write an essay not more than 1500 words choosing any

ONE OF THE FOLLOWING TOPICS:

- Should the Employer's responsibility with regards to safety be Absolute?
- Contribution of Occupational Health and Safety to Human Resources Management
- Managing Occupational Health and Safety: A Multidisciplinary Approach.

THE FEATURE INCLUDES

- Theme properly captioned, and bold
- Line spacing should be 2.0
- All quotes and paraphrases (i.e., thoughts including quotes from external sources) should be cited using the *American Psychological Association (APA) format*.
- Where necessary, illustrations, pictures or sketches can be added.
- Note:** Remember to explain what ever illustration, pictures or sketches you added
- At the end of the essay, there be a reference section (*American Psychological Association (APA) style or format*)
- Letter fonts in Times Romans
